

# Take Time To Be Holy

William D. Longstaff, 1822-1894

George C. Stebbins, 1846-1945

Take time to be ho - ly,  
Take time to be ho - ly,  
Take time to be ho - ly,  
Take time to be ho - ly,

Speak oft with thy Lord;  
The world rush - es on;  
Let Him be thy Guide,  
Be calm in thy soul;

A - bide in Him al - ways,  
Spend much time in sec - ret  
And run not be - fore Him,  
Each thought and each mo - tive

And feed on His Word;  
With Je - sus a - lone;  
What e - ver be - tide;  
Be - neath His con - trol;

Make friends of God's child - ren,  
By look - ing to Je - sus,  
In joy or in sor - row  
Thus led by His Spir - it

Help those who are weak,  
Like Him thou shalt be;  
Still fol - low thy Lord,  
To foun - tains of love,

For - get - ting in no - thing  
Thy friends in thy con - duct  
And look - ing to Je - sus,  
Thou soon shalt be fit - ted

His bless - ing to seek.  
His like - ness shall see.  
Still trust in His Word.  
For ser - vice a - bove.
